

**Request for Reconsideration & Claim Status**

The final Office action mailed on 20 June 2006 has been considered carefully. Reconsideration of the claimed invention in view of any amendments above and the discussion below is respectfully requested.

Claim 19 was amended grammatically and idiomatically and particularly to eliminate verbiage.

The amendment raises no new issues and should be entered because it places the application in better form for consideration on appeal. An appeal is pending.

Claims 1-13 and 17-19 are pending.

Respectfully submitted,

/ R K Bowler /
